Love your neighbor as yourself.”

Luke 10:27

Welcome Letter

Dear Families of Pleasant Hill Christian School,

Welcome to the sweetest school community in Northern California! We delight in whole-hearted education at PHCS, a holistic approach that develops a child's mind, heart, soul, and strength. We just celebrated 40 years of ministry, and we believe the Lord is continuing to bless families of elementary students for generations to come!

Thank you for taking the time to read over our Parent/Student Handbook, which helps articulate our philosophy of education, guidelines, and policies. We love the warm, family-oriented school culture based on our commitment to providing a Christian environment for learning. We recognize that the expectations outlined in this handbook differ from other schools; but this is precisely what facilitates and strengthens us as a school community. We are ready to grow our hearts, minds, souls and strength to love Jesus this year in new ways!

Delighted to serve you,

Beth See

History

Pleasant Hill Christian School began in the summer of 1982 as a result of the vision of two experienced, credentialed, Christian teachers. It was their desire to provide children with a challenging and exciting atmosphere for acquiring knowledge that would be conducive to the development of Christian character and spiritual development. In each succeeding year their ideas and methods have proven successful, and their influence of genuine love, care, and concern has been the foundation for hundreds of successful lifelong learners.

After all of these years, the goal of Pleasant Hill Christian School is still the same: to provide each child with an excellent academic program, as well as to lovingly encourage spiritual development. Pleasant Hill Christian School is an outreach ministry of Occidental Community Church with its own School Board, consisting of men and women dedicated to the concept of Christian education. In addition to local leadership, Pleasant Hill Christian School is a dues-paying member of the Association of Christian Schools International (ACSI). The Association, in return, offers legal assistance, teacher and administrative conventions and curricular resources.

Statement of Faith

Pleasant Hill Christian School supports the Occidental Community Church Statement of Faith as presented in Article I, Section II of the Church Bylaws:

In order to identify Occidental Community Church as biblical in theology and evangelical in spirit, we set forth this statement of guiding beliefs:

We believe there is one God, eternally existent in three persons: Father, Son and Holy Spirit. (Deuteronomy 6:4; II Corinthians 13:14)

We believe the Bible to be the only inspired, infallible, authoritative Word of God which constitutes the divine and only rule for Christian faith and practice. (II Timothy 3:16-17; II Peter 1:20-21)

We believe in both the deity and the humanity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His atoning death through His blood shed for our sins, in His bodily resurrection, in His ascension to the right-hand of the Father in glory, in His present intercessory work, and in His future return in power and glory. (John 1:12-14; Romans 3:23-25; I Peter 1:3-5; Hebrews 9:24, 7:25)

We believe that regeneration by the Holy Spirit is essential for the salvation of lost and sinful men. (Ephesians 1:13-14; 4:30; Titus 3:5; I Corinthians 2:12)

We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is able to live a Christ-like life. (Ephesians 5:18, 6:24; Colossians 3:16, 4:1; Galatians 5:16-18)

We believe that the Church-which is presently His Body and shall be the Bride of Christ- is a spiritual organism composed of all believers, irrespective of their affiliation with Christian organizations. (Ephesians 1:22, 5:25-27; I Corinthians 12:12-14)

We believe in the resurrection of both the saved and the lost: they who are saved to the resurrections of life; they who are lost to the resurrection of the judgement. (I Corinthians 15:15-17; I Thessalonians 4:13-18; Titus 2:11-14; Acts 24:15)

Statement of Values

We believe the Bible, comprised of both the Old and New Testaments to be God's Word which is reliable and relevant for guiding our thoughts, attitudes, and actions. The Bible tells us that God created everything, including the human race. By His design, God created both male and female "in His image." In the Book of Genesis, the Bible clarifies that the woman was fashioned out of man, which indicates the complementary and reciprocal nature of the relationship between men and women. God also instructed them to be fruitful and multiply, in other words, to have children. This is the basis for family and marriage. When God looked upon everything He made, He said it was very good.

Marriage between a man and a woman is the context for family, relationship, sexual intimacy and behavior. Any sexual intimacy or behavior that is outside of the context of marriage is contrary to God's design and will, and violates the Bible's teaching for sexual purity. We affirm our belief that marriage is a good thing and that according to God's plan, marriage is between one man and one woman.

We believe that God wonderfully and immutably creates each person as male or female, and that these two distinct, complementary genders together reflect the image and nature of God.

School Governance

Pleasant Hill Christian School is an outreach ministry of Occidental Community Church with its own School Board, which consists of both men and women who are dedicated to the concept of Christian Education and are ultimately responsible for overseeing the school’s high academic and spiritual standards. Board members are professing Christians and are active in local churches.

Regular monthly board meetings are held at the school. These meetings are open to parents (except for executive sessions). If you wish to discuss a topic at the board meeting rather than simply observe, you must call the school office and speak with the Principal, who will place you on the agenda. It is necessary to have agenda items one week prior to the Board meeting, when the agenda is formulated. The School Board sets the policy for the school; whereas the Principal is responsible for the daily operation of the educational program. The Board reserves the right to change any policy or procedure at any time at its sole discretion after reasonable notice to constituents.

Statement of Non-Discriminatory Policy

Pleasant Hill Christian School admits students of any race, color, national and ethnic origin to all the rights privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, scholarship and loan programs, and athletic or other school-administered programs.

Tuition and Fees

The non-refundable annual registration fee covers the cost of processing applications and other necessary requirements of school enrollment. Registration fees are a financial commitment on the part of our families which allows the administration to accurately project enrollment, staffing and curriculum needs. A withdrawal fee is charged for early withdrawal after September 10. Throughout the year there will be a variety of “pay-as-you-go” activities. Fund-raising projects are sometimes carried on by individual classrooms or grade levels for special projects and trips with the approval of the Board Chairman and under the direction of the classroom teachers.

The Financial Agreement outlines the tuition and fee requirements. Monthly tuition is due on the first of each month and is considered late if not received by the 10th. There is a late fee assessed for late payments. Failure to meet financial obligations may result in the dismissal of the student(s). Please contact the Bookkeeper should a problem occur regarding the ability to make tuition payments at mgraff@phcs.org.

Note: Tuition is not tax deductible.

Class Size

Each grade level is held to a maximum of 12 students. However, the Board of Directors and teachers may choose to vary class size and combinations when deemed appropriate.

No disposable bags, please. All trash and uneaten food will be taken home. Be sure that names are on lunch boxes. Students may not share lunches. Also, children do not have access to a microwave oven or refrigerator and are not allowed in the kitchen.

You may deliver a “forgotten lunch” to the office and the office will deliver it to your child. We request that all students, but especially K–2nd graders have a nutritious snack to be eaten during the morning recess. On Fridays there is a Brunch/Snack time in the late morning, as students are dismissed at 1:15.

On occasion, a school activity may include the distribution of food items, candy or snacks. If you have any concerns about specific food/snacks due to food allergies or dietary preferences for your child or wish to have your child excused from the activity, please notify the school office.

Office Area and Telephone Use

The school office desk area is a business office. Students must have permission from their teacher to enter the Office. Students are discouraged from using the telephone for nonessential calls.

Emergency Card / Change of Address Notification

Please notify the office immediately if you have any changes to report on your family records, i.e. address, telephone number, name or medical records. In an emergency this information will be of vital importance to the school and your child! Please keep it up-to-date. We utilize K12 Alerts for immediate contact in the event of an emergency. *Please call the office with your phone carrier anytime you switch!*

Medications and Illness

School personnel are not allowed to administer or dispense any medications, including over the counter medications, to students at

school unless the following guidelines have been met. **All medications are to be provided by the parents or guardians of the student.**

The administration of prescription medications to students shall be done only when the “**Request for Pleasant Hill Christian School to Administer Medication**” form has been completed and signed by both the prescribing physician and the parent or guardian of the student. For over the counter medications, the request form must be filled out and signed by the parent or guardian.

The medication must be in its original container or in a container labeled with the student’s name, medication, dosage and frequency. All medications will be kept in a locked cabinet in the school office unless written authorization directing otherwise is received from a physician.

All medications and authorizations must be renewed at the start of each school year. At the end of the school year, the office will dispose of any medications not picked up by the parent.

Please do not bring your child to school if there is any sign of illness, especially fever. We have limited facilities to care for sick children. Children with a temperature of 99.6 degrees or more will be sent home. If your child has a 99.6 degree temperature or more, do not send him/her to school.

Lost and Found Items

All lost and found items not claimed by the last Monday of each month will be donated. The lost and found box is located in the Lobby and may be checked before or after school.

ATTENDANCE

Attendance/Absence

Regular school attendance is **vital** to each child’s academic success. Learning goes on every day and if there are frequent absences, the child tends to find it difficult to adjust to a regular schedule of learning. Habits formed in early years have lasting results. The habit of **being on time**

should be formed early so that the pattern will be carried throughout their lifetime.

A phone call or email from the parent the day of the absence is required.

The student should be sufficiently recovered from an illness to take part in normal daily activities at school. For contagious diseases, check with your doctor as to when the child should return to school.

If your child is unable to participate in PE class, he/she must have a note from home stating the reason.

Illness

When a child is ill, it is recommended that parents call and request their child's homework assignments. Please request early in the day to facilitate same-day pick up. The requested assignments can be picked up in the school office after school. There will be one make up day per day of illness with no penalty. Remember to keep your child home for 48 hours symptom free with no fever-reducer medication.

Pre-Arranged Absences

Absences for vacations must be prearranged. Parents are encouraged to plan vacations in accordance with the school calendar. In the event of extended vacation periods, parents should contact the teacher at least one week in advance for special assignments. Frequent/extended absences often result in failing grades and could be grounds for the dismissal of the student. There will be no refunds or tuition allowances made for student absences.

Tardiness

Timeliness is a character quality that we hold in high regard. Children arriving to school after the bell rings (8:45AM) will need to check in the school office for an admittance slip into their classroom. **When a student has more than 5 tardies in a trimester, parents will be contacted by the Principal.** The disruption caused to the class by a tardy student, as well as the loss of information by the tardy student will be addressed by administration.

Doctor/Dental Appointments

Whenever possible, doctor and dental appointments should be made for hours other than school time. If this is not possible, please come to the office to sign out your child before leaving campus. ***Parents must notify teachers of appointments 24 hours in advance.***

In the interest of safety, if someone other than a family member comes to pick up your child, provide that person with a note giving your permission to do so. Be sure to tell the person picking up your child to check in at the office. The office will retrieve the student.

Lice Policy

If a student is found to have active head lice, he/she will be sent home for treatment. Once the student has undergone treatment, he/she may return to school. If you need information regarding lice treatment please contact the school office.

STUDENT CONDUCT & GUIDELINES

Discipline

Students are encouraged to develop the positive character traits of love, respect, truthfulness, obedience, diligence, sensitivity, compassion, attentiveness, initiative, creativity, and joyfulness. We choose to focus on what the apostle Paul in Romans 12:10 admonished us to do: ***“Be devoted to one another in brotherly love, and take delight in honoring each other.”***

Major responsibility for student behavior remains with the parent. However, at school the teacher represents an extension of that authority. It is important that all forms of discipline are administered with one objective in mind - to lovingly bring about a change of heart, correct behavior, and a respectful attitude. Discipline will be faithful and consistent in order to promote maximum learning.

High standards of conduct will be expected of students at all times. Being responsible is a learned factor and discipline is one of the principles necessary in order to maintain a positive environment for learning.

Students will be expected to:

- Honor God and His Word, including the use of His name.
- Cheerfully follow the directions of their teachers, school support staff, and volunteers.
- Be courteous to their peers.

Office Visits

There are five basic behaviors that will automatically necessitate discipline from the Principal directly:

- Disrespect shown to an adult (staff member, parent, etc.)
- Dishonesty in any situation, including lying, cheating, and stealing
- Possession of weapons, drugs, alcohol, or any nicotine delivery system including e-cigarettes.*
- Fighting, i.e. striking or kicking in anger or with the intention to harm
- Obscene, vulgar, or profane language, as well as taking the name of the Lord in vain

The first two times a student has an office visit the student's parents will be contacted and given the details. Their assistance and support in averting further problems will be sought.

The third office visit will be followed by a meeting with the parents and Principal.

Should the student require a fourth office visit, the School Board will be brought in for discussions of suspension and/or expulsion.

*Possession of weapons, drugs, alcohol, tobacco or any electronic nicotine delivery system including e-cigarettes will immediately be dealt with and may result in suspension and/or expulsion in the interest of student safety.

Dress Code & Appearance

Children's clothing should be clean and appropriate for school. Shorts/skorts/skirts of modest length may be worn. The following should not be worn to school:

- Offensive or questionable slogan or graphic T-shirts
- Tops that expose the midriff, halter tops or spaghetti straps
- Shoes without backstraps
- Beach attire

Parents will be called if clothing is considered inappropriate.

NEW: To reduce injury and to allow whole-hearted participation in PE, students will be required to bring a pair of comfortable running shoes to school (to be kept at school).

Note: Please label all clothing items, especially jackets, sweaters, and sweatshirts, with student's name.

NEW: Grooming and appearance at school is important as Image-Bearers (Genesis 1:26-28). Hair should be worn neatly and kept natural colors.

After School Guidelines for Students

Students are welcome to arrive at school as early as 8:30am. Students arriving any time after 8:30am are to enter the main building through the gate and in through the back doors. The front is not a student entrance.

K – 6th grade students arriving between 8:30am and 8:45am should put their belongings in their classroom and go directly to the supervised playground.

The after school time is not a recess or playtime. Students waiting to be picked up are to maintain an orderly manner, keeping their belongings (in their backpacks) with them, ready to go when their ride arrives.

There should be no eating while waiting to be picked up.

Students are not to leave the waiting area without permission.

A student whose parent is on the premises for any other reason is to remain with the parent or in the supervised after school pick-up area.

Students are not allowed to walk across the driveway without permission.

No one is allowed to play on any playground equipment after school is dismissed for the day without school permission and adult supervision.

Students staying after 3:30 need to check in with the Supervisor immediately.

A student being picked up from After School Care needs to wait until his/her parent (or authorized adult) signs him/her out.

At 3:30 p.m. all remaining students need to be signed into After School Care.

Lunch Time Guidelines for Students

Once an eating area has been selected, there should not be any moving around. All students should remain seated at the eating tables long enough to eat their lunch. **Each student should eat his/her own lunch and not share his/her food.** If you do not have a lunch you should check in at the office. (Try to call home at the first recess time if you have forgotten your lunch.)

Loud, rude behavior and/or food fights at the lunch table are not allowed.

To leave the eating area, raise your hand and get permission. If you are finished eating, make sure your lunch area is cleaned up. **All trash and uneaten food need to be taken home. Messy containers may be rinsed out in the outdoor sinks.**

The Family Directory is provided so that you can mail or email invitations to those invited.*

Parental Declaration of Support

Pleasant Hill Christian School is committed to excellence in education and character development. An integral part of a comprehensive Christian education is parental involvement and support. The act of enrolling your child in Pleasant Hill Christian School declares your commitment to the following:

1. You have carefully examined and agree with the purpose and goals of Pleasant Hill Christian School and desire the faculty and staff to work with you in the total education of your child: spiritual, academic, physical and social development.
2. You pledge your support to the aims and ideals of the school and will bring any and all questions and criticisms to either the teacher or Principal so that these problems may be properly considered. (Matt. 18:15-17)
3. You understand when discipline is necessary, it will be handled by the teacher in the classroom. It may consist of such things as verbal reprimand with suggestions given of alternative ways of behaving, and perhaps loss of some classroom or recess privileges. If the behavior requires an office visit, the Principal will contact the parent (or person on the emergency card) and the student may be immediately suspended from school. Disruptive behavior which continues may also be subject to the student's permanent dismissal from the school. You understand that the school reserves the right to dismiss any student who does not cooperate with the educational process, either for academic reasons, attitude, or behavior.
4. You pledge the following as a condition of your child's enrollment in Pleasant Hill Christian School:
 - A. To support the school and help your child meet homework requirements. Parents will receive a **Weekly Communication** reporting classwork, homework and behavior. Parents will be expected to respond and support the teachers by signing and returning these reports.

- B. To meet financial obligations to the school promptly.
- C. To attend Parent/Teacher conferences, to support the school by keeping informed about activities and needs and by attending school-sponsored programs, i.e. Back-To-School Night, Christmas/Spring Program, and Awards Night.
- D. To be supportive of the school through volunteerism.

Field Trips

Transportation for field trips or other activities away from school will be by private cars with valid insurance coverage. All field trip drivers must have completed the Live Scan process and Driver Authorization form **for the current school year**.

Note: The law requires a child to be seated in a child safety seat until age 8 or until he/she weighs at least 80 pounds. If this requirement pertains to your child, please send a child safety seat on field trip days.

ACADEMIC POLICIES

Grading

Traditional letter grades A, B, C, D, F will be given for grades 3 - 6 in the basic subject areas. These grades will be determined from daily classroom work, homework, tests, and special reports and projects. Other subject areas along with behavior and basic work and study habits will be graded S-satisfactory; N-needs improvement; U-unsatisfactory. Effort and attitude will be the determining factors in these grades. Our primary grades K - 2 will be given E – Excellent, S – Satisfactory, N – Needs Improvement, and U – Unsatisfactory for both basic subject areas as well as behavior and work and study habits. *Weekly Communications will be sent home on Fridays to help keep parents informed of their child's academic and behavioral development. These reports must be signed and returned the following school day.*

Homework vs. Completion Work

Regular Homework includes weekly assignments including Bible memory, spelling practice, and math reinforcement, and should be expected Monday through Thursday for all grades. Occasional long-term projects may require some weekend time. Length of time required for homework assignments will vary according to the student's ability and his/her work and study habits. Parents are expected to support the teacher's efforts in this area. Some homework may require a parent's signature.

Completion work is work a child was given time to complete at school but didn't finish. Our aim is that all schoolwork be completed at school but depending on your child's focus and/or processing, completion work may come home to be finished and returned to school the following day. Completion Work NOT returned the following day will be accepted up to a week later but with 10% grade reduction. The grade will be a "zero" after the week. Please check your child's folder daily to ensure completion of daily school work.

Report Cards/Cumulative Records

Report cards are issued each trimester (three times per year). The last grade report will be mailed home. The final report card for a student will be withheld should their account not be current at the end of the school year.

If you should wish to see your child's records in the school office, they are available upon request. Please contact the Office.

Parent/Teacher Conferences

Parent-teacher conferences will be scheduled during the first grading period. Our teachers are happy to meet with you whenever you desire a conference. However, please call the office to make an appointment. **We would ask that you not interrupt the teachers in the morning before school, as they are busy getting ready for the day. Under no circumstances should you try to talk with the teacher while class is in session.**

EMERGENCY INFORMATION

Emergency Procedures

In the case of an emergency in which the building would need to be vacated for longer than an hour, the children will be taken to Twin Hills Fire Department (behind the school on Watertrough Rd.) and parents will be notified as soon as possible via K12 Alerts.

If an emergency develops while students are on campus, we will notify parents via K12 Alerts (call, text, and email). Should the decision be made to dismiss the children early from school or in case of individual emergencies, parents will be notified. For this and other reasons, it is critically important that you keep your Emergency Procedure Card up to date.

We drill regularly for fire, earthquake, and lockdown procedures throughout the school year in efforts to keep our students safe.

Meetings are held at the school once a month or as announced.

Parent Visits/Classroom Help/Volunteers

We require that all visits be cleared through the office. Late lunches, jackets, homework, etc. should be brought to the office. Please do not take items to the classroom. Parent volunteers assisting with classroom activities and yard supervision are needed and appreciated. It is essential, however, that the volunteers be committed to specific times prearranged with the office. Consistent, dependable help is necessary. Each parent will be asked to fill out the Parent Volunteer Form at the beginning of the year and will be given specific instructions related to their area of commitment. All volunteers must sign in/out at the office at each visit.

****Note:** Here at PHCS, the safety of our students is of utmost importance. **All volunteers who have the potential for *unsupervised access to children in our school, such as chaperones/field trip drivers, classroom helpers, before/after school care providers, etc., are required to go through a background check and LiveScan.*** Please obtain a LiveScan & Background Check Consent Form from the school office. The expense of the fingerprinting is the parent's responsibility.

Guidelines for Field Trip Chaperones

The following are instructions for adults who volunteer to chaperone our students for on or off campus events, including field trips. They are meant to help each child get the most out of each event and also to help those in leadership present a consistent, unified representation of Pleasant Hill Christian School.

As you take on this important role, the administration asks for your full cooperation. **You are responsible for the direction and welfare of the children assigned to you.** We ask that you act in accordance with the standards of Pleasant Hill Christian School. Please carefully read the following instructions, so that you will be able to carry out your responsibilities.

2. Siblings are not included in field trips.

3. **If you are driving on a field trip, please do not make any unscheduled stops. (Please come to school with the car fueled and ready to go.) Do not stop for treats or allow the children out of the car during transport.**
4. Know what is expected of you:
 - a) Meet in child's classroom for teacher instructions.
 - b) Be on time.
 - c) Fulfill assigned tasks.
 - d) A valid California driver's license and current Driver Authorization Form must be on file in the school office.

7. Require children in your group to show respect for you, one another and the public at all times (including in the car).
8. Be willing to correct wrong behavior through a word of correction. If the child does not respond, then report his/her behavior to the teacher at the earliest opportunity.

Parent/Staff Conflict Resolution

Within all relationships it is normal to experience differences of opinion or misunderstandings. How we handle the conflict is of great importance. We strongly encourage you to make an appointment with any staff member when you first discern a problem (Matthew 18). If after

speaking with the staff person you feel the problem has not been satisfactorily resolved, then the next step is to meet with the Board Chairman. A call to the school office will secure an appointment. If the Board Chairman and/or parent feel the situation requires a three-way conference with the teacher, then he or she will be asked to join the conference. If after going through these three steps, the parent or Board Chairman is not satisfied, then the matter will be taken before the School Board.

Please know that you may also speak directly to the Board Chairman or a Board member whenever you have a concern or problem. The desire of the staff and Board is to develop and maintain a harmonious working relationship with all families in our school.
